

KASCD's Just in Time...

**Date**

**February 10, 2017 (8:00 a.m. – 3:30 p.m.)**

**Location**

**DoubleTree by Hilton Hotel at Wichita Airport  
2098 Airport Rd, Wichita, KS 67209**

**Kansas ASCD (KASCD) is excited about hosting an Edcamp unconference for curriculum and instructional leaders. Come join us and participate in a full day** that emphasizes peer-to-peer collaboratively learning focused on the informal exchange of information and ideas between participants, rather than following a conventionally structured program of events. The day will begin with a light breakfast and networking. Start thinking about a session that you'd like to add on the schedule. Don't worry about being prepared with a presentation; just come with a topic for discussion or a question that has been burning. After we kick off, we'll start our sessions. The "law of two feet" applies all day.

**The KASCD Edcamp unconference characteristics...**

- Free with KASCD membership
- Audience (***teacher leaders, instructional coaches, principals, curriculum administrators***)
- Non-commercial with a vendor-free presence
- Hosted by KASCD to provide a forum for curriculum & instructional leaders to collaboratively discuss and exchange ideas over timely issues with which your district is confronted
  - Topics are set by you, the day of the event (e.g. individual plans of study; OVTs—outside validation teams; 5 Pillars of KansasCan; peer observations; civic engagement; great math resources (or any subject); KDG readiness; professional learning strategies that change practice; technology integration; assessments; SECD curriculum—socio emotional character development, etc.)
- Sessions are determined the day of the event and driven by participant interest
- Sessions created where anyone can be a presenter and everyone is a contributor
- Reliant on the law of two feet that encourages participants to find a session that meets their needs

***Breakfast Sponsor: Sherry Reed (former KASCD president with McGraw-Hill Education)***

***Lunch – on your own.***
